*\*Arkansas Department of Parks and Tourism computer use policy prohibits the use of non-ADPT software, hardware, or peripherals on ADPT computers. Only 2GB flash drives purchased at Arkansas History Commission research rooms may be used on ADPT agency computers. Flash drives are valid for one visit only. Special provisions may be made for researchers visiting AHC facilities multiple times within the span of a few weeks.*

*\*\*Other media, such as reel film or broadcast format film, may require outsourcing to commercial vendors.*

*<sup>1</sup>Not all services are currently available at the regional archives and may require outsourcing to the main AHC facility in Little Rock for completion.*
