SARA, said Richter. "If a huge photo of me is what it takes to let the folks of Arkansas know what publicity for the agency.

featured Richter, it focused on her work as Director of the AHC and provided a great dose of positive state's past.

after the Civil War. Our thanks to Mrs. Shankles for her donation and this intriguing look into our

Lakeside High School, recently donated a three cubic feet of archival material. These collective works, along with the approximately 8 cubic feet of additional directory holdings at SARA and NEARA, comprise one of the largest collections of its kind.

City directories were prevalent from the mid 1870s to the late 1890s. By the turn of the century, city directories were usually published annually. Today, the collections at the Commission contain over 70 city directories from locations throughout the state. A sample of these collections are now available on www.arkcat.com.
